# BEST SPIMUN AND MUN QOTES

“If in doubt, Kick it out” - UK commenting on The Russian federation leaving the room.

“If Russia can bomb Ukraine I want to bomb people too” - Uk Debating whether or not UN should have the right to bomb Myanmar.

“Bombing should be fair, If Russia drops one more Bomb on Ukraine then I want to bomb people” - British on the Chinese clause of using weapons of mass destruction

“If I urge you to do something then you will be forced to do it” - Bangladesh when arguing against Thailand's clause urging local nations to take proportional amounts of refugees.
